

BHF Bingo

Thanks for supporting National Heart Month and playing BHF Bingo!

This bingo game is designed for up to 16 players, and one 'caller'.

As the caller, you need to print and cut out the bingo cards below, and give one to each player. Then you read out the numbers (and columns) using the Call List provided below. If a player has that number, they cross it off on their bingo card.

The first player to get a straight line of four numbers crossed-off is the winner. The line can be horizontal, vertical or diagonal. And they have to shout out 'Bingo!' of course!

If you'd like to create more Bingo games, visit www.bingocardcreator.com which lets you design your own cards or download existing ones for free.

Once you've held your bingo game, you can pay in the grand total online at bhf.org.uk/red or call **0845 241 0976** for more options.
