Turn every £1 you raise into £1.28!

Gift Aid means that for every £1 donated, we can get an extra 28p from HM Revenue & Customs. Which means even more money to help us fight heart disease and it doesn't cost you or your donors a penny. All you need to do is get your donors to tick the Gift Aid box and provide their **full name, home address and postcode**. We'll only use their details to claim the Gift Aid. Please note that to qualify for Gift Aid, the amount your donors pay in income or capital gains tax must at least equal the amount we will claim on their donations in the tax year.
