Can I start before the official event time?

No – we will not let any riders through before 7.00am.

What time does the event finish at?

All riders must be back by 8.00pm.

What if I don't make the cut off times?

If you do not think you will get to the rest stops/finish by the cut off times, we will have dedicated support drivers who will either take you further along the route, or drop you at the finish line. In some circumstances they will drop you at the closest train station, depending on where you are along the route.

Please note, if you choose to continue after these cut off times you will be doing so without any of the support of the BHF as signs will be taken down and rest stops packed down when the sweeper vehicle has passed.

Fundraising

Do I have to fundraise? Won't my registration fee be enough?

Unfortunately your registration fee only covers the cost to put this event on, but any fundraising you can do will go directly into funding lifesaving research. For this event, we are asking participants to try to raise at least £100.00. We understand that this is a big commitment but we will support you and help with any fundraising advice you want or need. Please contact events@bhf.org.uk for any questions about this and a member of the team will happily assist.

Do I need to raise all of this before the event?

No – you can continue to fundraise after the event (show people your medal selfie and get a few extra pounds!) for approximately 6 weeks. We will then send you a gentle reminder to send your sponsorship in.

How can I pay my sponsorship in?

There are several ways to send in your fundraising

Online Sponsorship

If you have set up a Just Giving or Virgin Money account then you will not have to do anything, all online donations will come through to us so sit back and relax!

Off-Line Sponsorship

You can send in any sponsorship to our Customer Service Centre (2096 Coventry Road, Sheldon, Birmingham B26 3YU) or if you can make a payment over the phone by calling 0300 330 0322.
