BEATING HEART DISEASE TOGETHER

Give a suggested £2 donation to guess which song is the winning one
Help fight heart disease and you can win a prize

To play:

1. The organiser should arrange a prize and will pick a winning song and write it in a sealed envelope, entrusting it to a friend or colleague at the start of the sweepstake.
2. Pick a song and write your name in the box underneath.
3. Make a donation to play – we suggest £2 a go.
4. The winning song will be revealed when all the songs have a name underneath them / when all participants have made their choices (each song can be chosen by one person only). If your guess is right, you win the prize your organiser has picked.
5. Send all of the money raised to the BHF.

Terms & conditions:

Entry into this Prize Draw is free; no purchase necessary. To enter the Prize Draw you must enter your name and guess onto the relevant section on the poster. Entries by email, post or facsimile will not be accepted. Each entrant agrees that if they win, the prize is at the organisers' discretion.
