

## Vietnam to Cambodia

### Vietnam

On 22 June 2015, the Vietnam Embassy received formal notification from the Government of Vietnam that British Citizens will not require a visa to travel to Vietnam for a period of up to 15 days on the basis of meeting all conditions prescribed by Vietnamese laws (if you wish to re-enter Vietnam without a visa, the next entry must be at least 30 days after the previous exit). To be eligible for visa exemption your passport must have at least 6 months validity. The visa exemption period will start from 01 July 2015 and end on 30 June 2017.

British Citizens on our Vietnam to Cambodia Cycle Challenge will therefore not require a visa to enter Vietnam but please check with the Embassy ([www.vietnamembassy.org.uk](http://www.vietnamembassy.org.uk)) if you are extending your stay, will be re-entering Vietnam or if you are a citizen of the Republic of Ireland, or are any other nationality other than a British Citizen. Please note that it is your responsibility to check all entry requirements and ensure that you have a visa to enter Vietnam if necessary.

### Cambodia

For a visa to enter Cambodia you will need to bring 2 recent passport photographs and \$30 with you on the Challenge and the visa will then be obtained at the border crossing. Please ensure that you have 2 blank pages in your passport to allow for the Cambodia visa.

## Additional Global Adventure Challenges Information

- The above information applies for British Citizens, for other nationalities please check with the relevant Embassy.
- The visa information supplied is given as a guide only and it is your responsibility to ensure that you have the necessary visas for the Challenge.

Please note that the above information is supplied as of 15 September 2016. We recommend that you check with the Embassies for any updated information.
