Your Health. Is there anything we need to know about your health? We have a duty of care to ensure that you are not asked to undertake tasks that might put you at risk because of any health issues you have. Please advise us of any such issues.

Smoking. Smoking is one of the major causes of cardiovascular disease. Please be aware that smoking on BHF premises or whilst volunteering for the BHF is not permitted.

Medical and stem cell research. You should be aware that BHF funded medical research can involve animals or stem cells. Please ask if you would like further information on these topics.
