

BHF Volunteer Banking Information

WHAT TO DO

If you do not have your own paying in book let us know and we can arrange to send one out to you. If you do not have your own paying in book you will need to complete a standard paying in slip provided by the bank and ensure that you include your name on the paying in slip reference and on the reverse of any cheques along with the donor details if known & who the donations are in memory of if it is an In Memoriam donation. Thank you for your continued support.
