

Matched Funding Business Benefits

Matching your employees fundraising is a great way to boost your Corporate Social Responsibility

Matched funding plays a huge part in showing support for the causes close to your employees hearts.

Having a Matched Funding scheme can improve the perception of your company resulting in greater appeal to prospective staff and customers.

Having a Matched Funding scheme available can enhance staff morale, and improve employee retention rates.

Matched Funding donations are tax-effective and can be deducted from your businesses corporation tax.

Beat heartbreak forever

Beat heartbreak from heart diseases and all circulatory diseases
