

CYMRU

Money raised goes towards

**FUNDING RESEARCH.
MAKING BREAKTHROUGHS.
SAVING LIVES.**

LIVES LIKE JACK'S.

Only hours after Jack was born, he turned blue. He needed open heart surgery. So less than a week later, doctors performed a life saving operation pioneered by a BHF Professor. Thanks to that operation, Jack is now a happy six year old with a passion for football. Jack is why we fight, and why your support means so much.

Thank you.
