# Make your ride count

Thank you for taking on a challenge and joining thousands raising funds to power life saving research. Your fundraising will bring us closer to the day when heart disease no longer tears families apart.

So get a group together (it could be your colleagues, friends or family) and use this prize draw to boost your fundraising total and help us keep more hearts beating.

## Here's how to play

- Arrange a prize, choose a winning rider number and write it in a sealed envelope, entrusting it to a friend or a colleague at the start of the sweepstake.
- Ask people to pick a rider number and write their name underneath.
- Ask them to make a donation to play – we suggest £2 a go.
- Reveal the winning number when all the rider numbers have a name underneath them. The winner will receive the prize you have picked for them.
- Add all of the money raised to your fundraising total.
