# Support me as I raise funds

My  
fundraising  
target:

£ .....

What I'm doing and why I'm doing it:

## Your donation powers research.

Heart and circulatory diseases strike without warning, leaving families devastated. But with your support, we can end the heartbreak they cause.

**£5**

pays for **125 microscope slides**, essential for our researchers studying faulty heart cells.

**£10**

pays for a **researcher toolkit**, containing all the test-tubes, flasks, dishes and gloves a team of heart attack researchers will use in a day.

**£25**

pays for **one hour of research** by our early career scientists to better understand how to diagnose, prevent, treat and cure heart and circulatory diseases.

### Turn every £1 raised into £1.25 through Gift Aid

*giftaid it*

If your sponsors are UK taxpayers, don't forget to ask them to Gift Aid their donations. By reclaiming tax on their donations, we can turn every £1 into £1.25 – and it doesn't cost them a penny extra. Just ask your supporters to write their full name, home address, postcode, and to tick the Gift Aid box overleaf

\* If I have ticked the box headed 'Gift Aid my donation', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want BHF to reclaim tax on the donation detailed below, given on the date shown. I understand that if I pay less Income Tax/or Capital Gains Tax than the amount of Gift Aid claimed on all of my donations to charities and CASCs in the current tax year it is my responsibility to pay any difference. I understand the charity will reclaim 25p on every £1 that I have given.
